INFORMATION

ORGANIZERS: Eva Wittenberg, Melissa Kline, & Joshua Hartshorne

PROGRAM COMMITTEE: Ben Ambridge, Curt Anderson, Ryan Blything, Peter Culicover, Annelot de Rechteren van Hemert, Monique Flecken, Nate George, Tilde Goksun, Roberta Golinkoff, Angela He, Anita Krishnan, Laura Lakusta, Kyle Mahowald, Titus von der Malsburg, Emily Morgan, Mark Myslin, Ken Nakatani, Laura Niemi, Liuba Papeo, Shannon Pruden, Jason Rothman, Elliot Saltzman, David Townsend, Ercenur Unal.

U of FLORIDA ASSISTANCE: Edith Kaan, Marc Matthews, Suhas Arehalli, Michelle Waters, George Collins

FUNDING: This workshop is funded by the National Science Foundation (#1606285), with administrative support from Boston College.

WEBSITE: General information on the workshop, along with digital copies of the program and abstracts, are available at https://sites.google.com/site/eventslangcog2016

LUNCH IDEAS

1. Zoe’s Kitchen (Greek)
2. Metro Diner
3. Blaze Fast-Fire’d Pizza
4. Peach Valley Café (American)
5. Tijuana Flats (Tex-Mex)
6. Square 1 Burgers
7. BurgerFi
8. Chuy’s (Tex-Mex)
9. Bento Cafe (Sushi/Fusion)
10. California Chicken (Fast Food)
POSTERS

4. Peter Gordon. Can Infant Event Representations Give the Boot to Bootstrapping?
6. Angela Xiaoxue He and Sudha Arunachalam. How event endstates are conceptualized in adults and infants.
7. Melissa Kline, Annelot de Rechteren van Hemert and Jesse Snedeker. How event endstates are conceptualized in adults and infants.
8. Ekaterina Kravtchenko and Vera Demberg. Informational status of redundant event mentions mediates pragmatic interpretation.
10. Guillermo Montero-Melis. What you’d say is what you focus on: language effects on motion event conceptualization
12. Elisabeth Rabs, Heiner Drenhaus, Francesca Delogu and Matthew Crocker. Reading between the lines: The influence of script knowledge on on-line comprehension.

SCHEDULE

8:30 Welcome, poster previews
9:00 Keynote (Elsi Kaiser)
9:45 Talk Session I
Gerwien & von Stutterheim. Grammatical constraints on event packaging and potential effects on the segmentation of the perceptual stream.
Lundquist, Corley, Ramchand, Sorace, & Tungseth. Crosslinguistic variation in event conceptualization: Evidence from the causative alternation.
10:45 Break
11:15 Talk Session II
Culicover, Alishahi, & Vaiksnoraite. The constructional evolution of grammatical functions and the thematic representation of events.
Altmann. Multiple object-states represent events: A new account of event representation.
12:45 Lunch Break
1:45 Keynote (Jesse Snedeker)
2:30 Talk Session III
Foppolo, Panzeri, Greco, & Carminatti. The incremental processing of accomplishment predicates.
Venhuizen, Brouwer, & Crocker. When the food arrives before the menu: Modeling event-driven surprisal in language comprehension.
3:30 Break
3:45 Poster Session
4:45 Panel Discussion
Jeremy Skipper, Elliot Saltzman, Elsi Kaiser, Jesse Snedeker, Melissa Kline, Eva Wittenberg & Joshua Hartshorne
